indigenous grape varieties
- **Vinification:**
rapid maceration for 8-10 days
- **Aging:**
Stelle vats aging
with a brief passage in barriques
- **Temperatura di servizio:**
16/18 °C

LANGHE DOC TIRADÒSS 2020

This wine from the Langhe appellation, as down to earth as those who work in the vineyards, mirrors the best characteristics of each of the wines of which it is composed, extracted from grapes which on these hills mature in a remarkable way and whose must is a concentration of fruit and colour.

This wine displays such an intense red that it appears to be purplish. The nose is rich with fresh aromas, delicately fruity and floral like violets.

An austere but soft and rounded wine of medium structure and very well balanced.

Juicy and fragrant fruit blends with rustic power and elegance to create a wine of immediate evolution.

Enjoy in relaxed and good company.
