maceration for approx. 30 days

→ **Aging:**
10 months in oak barrels

→ **Serve at:**
14/16 °C

VINO ROSSO DINAMICO®

A wine which pays tribute to the great vines which have made famous the hard work which has shaped the landscape.

This wine, which has no appellation, brings together the crowning features of all of the grape varieties which contribute to it to create a harmonious and highly enjoyable wine.

The different vines used enable the wine to draw upon their various personalities to create a blend which is both balanced and elegant.

An honest, soft and savoury red wine which is highly drinkable. Very fresh and fruity on the nose with notes of small red fruits which on the finish leave space for sweet, pleasing light hints of oak and vanilla.

It lands agile and light upon the palate, with spicy mineral traits. A vivacious tannin wrapped in a good body with a fair degree of acidity which makes it both enjoyable and easy to pair with a range of food.

Hard to resist a second glass.
